1. Special Event Permits do not give exclusive rights to a spot; they merely grant permission to have an organized event. All Special Event Permits expire at **MIDNIGHT** on the day for which they are approved.
2. Special Event Permits for events such as beach parties, barbeques etc. are issued on a first come, first serve basis. A specific area within a beach/park may not be reserved except when the Leasing Manager/CEO has provided their permission to do so prior to the date of the function (i.e. weddings and large events etc.).
3. The removal of litter produced from the event is the responsibility of the permit holder immediately after the event. All refuse must be disposed of in a proper manner.
4. All barbequing **MUST** be done with proper metal barbeque equipment. Coals and ashes must be extinguished and properly disposed of. Please do not bury hot coals in the sand or throw them in the ocean.
5. All campfires/bonfires **MUST** be in or on a metal apparatus container. Under no circumstances should open fires be burnt/built directly on the sand. Bonfires must be thoroughly Extinguished and Properly Disposed of.
6. If radios are used they must be played at a reasonable volume, as to not disturb other beach users and/or the tranquillity of the site.
7. **NO GENERATORS ARE TO BE USED AND NO LIVE BANDS ARE PERMITTED (Unless it is a special function). (Fun castles are an exception).**
8. **YOU MAY NOT SELL ANY ITEMS (i.e. ALCOHOL).**
9. BLDC authorized staff may at any time during the event examine your site and will inspect the site the following day to ensure that procedures are being followed and that the area has been left in compliance with the Special Event Permit terms and conditions.
10. BLDC staff, and all authorized Officers, under the protection of the Bermuda National Parks ACT 1986, The Bermuda National Parks Regulations 1988, Bermuda National Parks ACT Amendment (No.2) 2017 without a warrant and upon asking, may:
 - a. Examine and take copies of any permit or other document required.
