The following amendments are being made to the Request for Qualifications for General Contracting Service:

1. The submission deadline has been extended to Monday April 20, 2020 3:00:00 PM AST.
2. The package includes the Contractor Pre-Qualification Scoring Matrix for consideration
3. The BLDC is requesting that respondents complete the attached Local Benefits Form
4. The following criteria will be incorporated into the overall Statement of Qualification Evaluation Criteria:
  - a. Percentage of workforce that are Bermudian.
  - b. Has the respondent provided evidence of providing apprenticeships and / or training opportunities.
  - c. Will the respondent use local businesses in their supply chain.
  - d. Will the respondent use local sub-contractors.
  - e. Does the respondent have an environmental policy in place
